8x8 faux stone flat (ECOR test program)

\$50 / week

Flat is faced with ECOR-Ply and covered in Pulp Art - very cut stone, filled with caulking and scenic painted with latex based paint. This flat is able to be repainted.

This flat is part of a pilot program, testing the durability of ECOR. Please be advised, when renting this flat, you will be requested to complete a very short survey about your experience.
