SIG Sauer P226 Pistol - Replica

CA\$20 / week

KJ Works Airsoft Replica of the SIG Sauer P226.

P226 is the sidearm of the special forces U.S.Navy Seals. It provides high reliability and strong performance and very good accuracy. Military and law enforcement agencies around the world have adopted the P226 for duty use. A little known fact is that it tested far superior to the Beretta 92F in trial tests by the US military!
