Spinal Board / Rescue Spine Board

CA\$15 / week

Spinal Boards in various forms, have remained the gold standard of post-trauma management where damage to the spine or neck is established, or suspected. The product is an essential item for any emergency professional and is invaluable in avoiding further injury by immobilising the patient prior to transit. A standard item on every NHS ambulance, spinal boards also have a wide range of uses in the Workplace, Schools, Swimming Pools, Sports Centres, etc.
