Anton Bauer Pro Pac 14 Nickel Cadmium Battery & Charger

CA\$45 / week

Anton Bauer Logic Series Digital Pro Pac 14 Nickel Cadmium Battery, 14.4 volts, 65 watt hours, Anton Bauer 3-Stud Gold Mount & and LSFC – Camera Battery and Fast Charger

The ProPac battery is the ideal source for all cameras and camcorders. With an accessory Gold Mount Bracket, it can be used to power color monitors, waveform monitors, vector scopes and virtually any other video equipment designed to be operated from 12 volt DC power. The ProPac battery is also the preferred power source when using the Anton/Bauer Ultralight® or Ultralight 2 “on-camera” accessory light. The Gold Mount Bracket features an integral “PowerTap®” receptacle that can power the Ultralight directly from the battery powering the camera or camcorder.
