Atlas MS-11C Microphone Floor Stand - Circa 1950's

This is a somewhat rare 1950's era Atlas MS-11C microphone floor stand with a cast iron (10 inch wide) base, two tier "waterfall" chrome base cover and a two piece retractable chrome stem Made in Brooklyn, NY.

The MS-11C was a somewhat more expensive version of the MS-12C because of the chrome cover it came with. The MS-12C stand was one of Atlas's most popular models and is still sold today.
