Stethoscope - Littmann Cardiology IV Stethoscope, Burgundy

CA\$8 / week

Littmann Cardiology IV Stethoscope

Hear subtle changes in patient status to diagnose and make decisions with confidence

Useful in critical care and challenging environments such as the ED, ICU, Cardiac ICU, step-down unit and other dynamic locations

Ergonomic and high profile construction; 40% larger chest-piece and 60% deeper bell than the 3M Littmann Classic III Stethoscope

Tunable, dual-sided stainless steel chest-piece with open or closed bell

Soft-sealing ear-tips provide optimal comfort and excellent sound occlusion

Adjustable diaphragm which allows for easier auscultation of high frequency sounds.

The pediatric side may be converted to an open bell.
