Magnifier Loupe, For Viewing Fingerprints

CA\$15 / week

The view is crystal clear and in sharp focus across the entire field. Providing generous 4.5 x magnification and with a wide 5.4cm (2.125") diameter opening at the base, This magnifier is simply the best classification magnifier available for fingerprint examination and classification. Finest optics and most distortion free flat-field lens on the market. Adjustable lens housing moves up and down for perfect focus.
