Arri Lighting Kit - 300/650 Fresnel Combo - Press Scrum

Contact for pricing

ONE DAY RENTAL

\$225 / per day

Arri Fresnel Combo 4-Light Kit.

The two highly efficient Arri 300W Plus Fresnels each have a 3.2" (80mm) low expansion, borosilicate Fresnel lens to produce a soft, even field of light. The two 650W Fresnels feature the same lens, reflector, housing and power cord as the 300W Fresnels. Beam angle in the flood position is 52°, and a narrow 14.5° in the spot position.

Barndoors and scrim sets can alter the shape and intensity of the lights.

Includes:
