Filson Tote Bag with Zipper

CA\$35 / week

The Filson Tote Bag is a timeless zippered handle-carry bag made of industrial strength Rugged Twill, which is water-repellent and abrasion resistant so it maintains structure after years of use. Filson reinforced the base of this tote bag so that it can withstand the wear-and-tear of baggage terminals and taxi trunks. A custom-cut rustproof two-way zipper in brass secures the main compartment, which houses 25-litres of storage capacity. The saddle-grade Genuine Bridle leather handles are long enough to be carried over the shoulder, and four exterior open pockets allow for storage of essential items that need quick access.

- Weather & abrasion-resistant Rugged Twill fabric
- Reinforced bag base
- Bridle Leather handles
- 25-litre main compartment
- Bridle Leather body tabs & trim
- 2-way rustproof solid brass zipper
- 4 exterior stow pockets
- Meets airline carry-on requirements
- Made in USA
