Manfrotto 351MV Ball Tripod with Manfrotto #136 Fluid Head

CA\$45 / week

Manfrotto 351MV Ball Tripod w/Spikes Manfrotto #136 Fluid Head

Manfrotto 351 MV - Ball Tripod with Spikes Silver is a 75mm aluminum tripod with tandem upper legs and single lower legs that provide a firm foundation for medium- to large-sized camcorders. With twin spiked feet to keep the legs from slipping on outdoor surfaces, along with the ability to set each leg at a variety of angles. Tripod top spider has a two steps (18°-28°) leg angle positioning system. Legs can be adjusted within a 180° arc to other angle by using a mid level spreader 531SPRB and 530SPRB combined with a set of spike foot shoes 565 in case of unleveled ground or by using a floor spreader code 165MV. The Manfrotto 351 offers a versatile and solid means of support for your camera and accessories. Compatible with pro video heads such as the 519 and 504HD.
