## Dupont Sontara Aircraft Wipes - AC9165

### Contact for pricing

Sontara AC wipes leave surfaces clean because they're extremely low-linting. Tackles tough cleaning agents without falling apart. every Sontara AC is clean right out of the box. No chemical residues or stains. Sontara is specially engineered to resist snagging on metal parts and corners. Superior to paper wipes which snag & tear. Outperforms cheesecloth which leaves strings behind when it snags on a rivet. Sontara AC is great for wiping surfaces dry because it contains no additives that hamper absorbency.
