## Remington Model 31 Shotgun - Replica

CA\$45 / week

Heavy duty replica of Remington Model 31 Shotgun.

The Remington Model 31 is a pump-action shotgun that competed with the Winchester Model 1912 for the American sporting arms market. Produced from 1931 to 1949, it superseded the John Pedersen-designed Models 10 and 29, and the John Browning-designed Model 17. It was replaced by the less expensive to manufacture Model 870 in 1950.
