CA\$45 / week

Hard rubber replica of Mini Uzi Sub Machine Gun.

The Uzi is an early Cold War era sub machine gun of Israeli origin. It is one of the world's most famous firearms as it has been adopted by many nations and used in many conflicts.

The Mini Uzi is the first development from the full size Uzi, being introduced in 1980. As the name implies it is smaller and features a simpler stock design.
