Salton Portable Induction Cooktop 1800 Watt, ID1401

Induction is more efficient than any other cooking technology. With a surface that remains cool throughout the cooking process, there is no need to worry about anyone accidentally burning themselves. The 8 temperature settings and 1800 watts provide the power to melt butter, steam, sear, stir-fry and boil. Boasting a solid crystal glass top, count down timer and easy to clean touch sensitive controls, this deluxe Induction Cooktop is perfect for everyday use.
