Ladder, Gorilla 5.5ft Aluminum Ladder

CA\$13 / week

The Gorilla Ladders Aluminum CrossOver Stepladder features dual platform top steps, giving you three times the step depth of a traditional ladder and providing a safe, secure, and comfortable place to stand at multiple heights. The aluminum construction makes the ladder lightweight yet safe and strong, plus it is easy to use and transport. It can easily be opened and closed with one hand, and the built-in project top is perfect for paint, tools, hardware, or anything else you need to get your job done. With a slim folding design that folds to just 4 inches deep, the CrossOver offers the convenience of a compact step stool combined with the benefits of a larger stepladder.

Dual platforms - 3X the step depth of a traditional stepladder

Perfect for paint, tools, and hardware

Safe and strong - closed rail and beam design

Single-handed operation with comfort grip reduces pinch point

Comparable to a 6 ft. stepladder

ANSI Type 1 Duty Rating and 250 lb. capacity
