Bulk Concrete Textured Walls

\$110 / week

(16 +/-) Concrete Texture Walls!

These are all similar in size- making it easy to make large hallways, prisons, bunkers, etc.

They have an 1/8" plywood base - making them extremely structural and stackable up to 16' or even 24' high!

Custom made in Canada for a Big Budget Feature

Material is extruded carpet, spray foam and plastic for an authentic look.

Colors may vary!

Available for sale and for rent.

Note: Some of these walls are listed as individual walls on this site.
