20' Scenery Trailer - FOR SALE

Contact for pricing

"Twisty" is our Big Tex 20' Trailer with partial cage. This light weight trailer can withstand big loads & small jobs too.. plus, doesn't take a huge truck to pull it! The longest member of our fleet, this trailer is a pheonix, reborn many times, as it has been stolen, burned to the ground, t-boned, traveled to New Mexico, and even has had its brakes drug off.. yet is now completely restored and is back in action once again to assist with your next project!
7 Blade Plug with Dual Electric Brakes. Ramps available upon request.Cage is not removable.
