## Chinese Fan Palm 3-4' [Rental]

### Contact for pricing

There are many reasons to love the graceful drooping fronds of the Chinese Fan Palm. They have a wide-spreading crown, with drooping, weeping fronds that will stay low to the ground when young and provide a canopy of shade as they mature! It's also known as the Fountain Palm because of the way the frond's tips create a falling, fountain-like appearance.

Height 3-4'  
Width 3'  
Gallon Size 7

Pot Dimensions 10"W x 9.5"H
