Ivy Mats

Contact for pricing

This is an Artificial Fabricated rental item
Our Ivy Mats are great for covering a ceiling with greenery. They are hand applied to a wire grid using sage ivy and trimmings from our camphor vine collection to add authenticity. They can be hung from most any surface, pipe and drape, pillars, and even ceilings.

Thousands of these can be seen in photos from Dawn of the Planet of the Apes in the downtown human colony set.

Height - 4'

Width - 3'

Specifics: Metal Mesh Backing

from [Cinema Greens](#) in Fayetteville, GA
