String of pearls - 4" pot

Contact for pricing

IDEAL LIGHT: Partial sun
WINTER HARDINESS: Not cold hardy
WATER NEEDS: Water when soil is completely dry, very sensitive to over-watering
MATURITY SIZE: 10' in length
ADDITIONAL NOTES: This beautiful trailing succulent is perfect for hanging baskets, and can be grown indoors if given proper sunlight. Be careful not to over-water. Works well as a "spiller" in arrangements as it easily trails over the edge of a planter.
