Christmas Decorations

Contact for pricing

This is a Decorative Element rental item
Cinema Greens carries a large quantity and variety of Christmas decor in stock. These items will be further inventoried for the website after the 2019 Holiday season.

From 7.5' to 15' artificial lit trees, to thousands of feet of garland, poinsettias, and even a large inventory of ornaments from Iron Man 3. Our sales reps will create the right holiday package for you.

Film & Television shows shooting Christmas out of season, contact us to create a budget friendly full production package.
