Mountain Moss Preserved (Bulk Box) - Fresh Green

Contact for pricing

Our Mountain Moss is probably the most versatile moss in our product line. It can be used for top dressing, hanging baskets where it aids in moisture retention and offers natural beauty. We have used to to cover film sets such as Dawn of the Planet of the Apes for 20th Century Fox and Guardians of the Galaxy 2 for Disney/Marvel. Ask your sales rep about the unique qualities and ways to use this moss for your project or production. This is a seasonally harvested product so please allow 2-4 weeks depending on quantities desired. Sold in bulk box only at approximately 25lbs in Fresh Green.
