## Birds Nest Fern 2'

### Contact for pricing

This is a LIVE rental item

The Bird's Nest Fern plant gets its name from the center of the plant, which resembles a bird's nest. It is also occasionally called a crow's nest fern. Bird's nest ferns (*Asplenium nidus*) are identified by their flat, wavy or crinkly fronds. Their appearance can bring to mind a seaweed plant growing on dry land.

Height 2'

Width 3'

Gallon Size 3

Pot Dimensions 10"W x 9.5"H

Specifics Full

POTTERY Live Plants come in their black grow pots; these are meant to be placed into decorative pots or hidden. You may add Decorative Pottery directly to your quote or, if none is selected, your sales rep will help you make your selections before providing your estimate.
