Contact for pricing

24,000 BTU. 2-ton units are ideal for personal "cooling" tents or dressing rooms. They are reasonably light enough for two people to carry up a few steps and they are narrow enough to fit into virtually any location where you can receive power and vent out the hot air. Our 2-ton units come with a 25' extended cord and a Cam-Lock ready, Sub-Panel for safety and convenience around the movie set.
