Set of 35mm Film Canisters

Contact for pricing

This set of 35mm film canisters stored reels the old-fashioned way, when every frame was physical and every scratch was permanent. Perfect for archive rooms, editing bays, or any scene that calls for a little cinematic history in cold, dented metal.

from [Fennick Studio Props](#) in Passaic, NJ

Size 20" w × 12" h × 13" d
