Incinerator

Contact for pricing

THIS IS NOT A STANDING SET

Rusty, grimy, and built to burn! This full scale faux incinerator looks like it's straight out of an industrial nightmare. Aged brickwork, bolted iron doors, and sootstained vents sell the illusion from every angle. Perfect for prison, asylum, factory, morgue, horror, or dystopian basement sets.

from Fennick Studio Props in Passaic, NJ

Size 69.5" w × 144" h × 135" d
