Leica Trinovid 7x42B Binoculars

Contact for pricing

The Leica Trinovid 7x42B Binoculars, renowned for their superior optics and robust construction, are a perfect choice for film or TV sets depicting outdoor adventures, wildlife observation, or espionage scenes. Introduced in the mid-20th century, these binoculars come with their original leather case and instruction manuals, adding authenticity and historical accuracy to your production. Their high-quality lenses and ergonomic design provide a realistic portrayal of professional-grade field equipment, enhancing the visual storytelling of any scene requiring detailed observation tools.
