The Sunbeam English Bicycle, introduced in the mid-20th century, embodies the elegance of classic British cycling. Featuring a rich green frame with chrome accents, this model includes a sturdy rear luggage rack, comfortable black leather saddle, and cream-colored handlebar grips. Its streamlined design, complete with fenders and a vintage bell adorned with a four-leaf clover, reflects the style and functionality of the 1950s and 1960s. Perfect for movie and TV productions set in this era, it offers an authentic touch of period charm.
