Shower Stall Set

Contact for pricing

This three wall shower stall set comes in two sizes: 4' x 4' x 4' for clean framings, solo action, or getting that shampoo bottle hero shot, and 4' x 8' x 4' if you're steaming up two actors and a lens. Features a frosted window for easy lighting and a brutalist design that says, "this place has central air, a gym and costs way too much." Perfect for luxury condos, hotel suites, or any set where someone's about to dramatically rinse off something spicy.
