Shotgun Microphone

Contact for pricing

Talkies never sounded sharper than when the Electro Voice Model 642 entered the picture in 1963. This Emmy winning shotgun mic became a staple on film, TV, and broadcast sets, slicing through ambient noise like it had a personal grudge against bad audio.

from [Fennick Studio Props](#) in Passaic, NJ

Size 3.25" w × 3.25" h × 18" d
