Convair CV-240 interior

Our airplane cabin set came from the Amazon Prime television show, *The Marvelous Mrs. Maisel*.

It includes features such as seating for up to 40 people, windows, and overhead storage compartments. The aisle is also widened to fit a dolly! This set is modeled after the Convair American Airliner CV-240, which was manufactured and produced from 1947 to 1954.

This plane set makes an appearance in Season 3, Episode 3 of *The Marvelous Mrs. Maisel*. The dimensions of the plane are 48' 9 3/4" x 10" 5" x 7" 6". The set is composed of multiple pieces, so it can be built in sections and disassembled for storage and shipping.
