White House Press Briefing Room Plaque

Contact for pricing

Part of our White House Press Briefing Room set, this replica plaque honors James S. Brady by naming the White House Press Briefing Room after him. It features a metal construction with a gold border and embossed lettering, commemorating Brady's service as White House Press Secretary from 1981 to 1989. The plaque includes an inscription by President Bill Clinton dated February 11, 2000.
