## Theater Seating

### Contact for pricing

This set of vintage theater seating includes 12 embankments, each with four seats upholstered in teal fabric, complemented by wooden armrests. The seats are mounted on a red plywood base, maintaining a classic mid-century look. Ideal for film or TV sets that require period-specific theater seating or large audience spaces, these seats capture the charm of mid-20th century venues.

#### Seating breakdown:

- 4-seater: 12 embankments
- Total seats mounted on plywood: 48
- Unmounted seats: 8

This setup is versatile for scenes set in theaters, concert halls, or auditoriums.
