Giant Clipboard With Giant Paperclip

Contact for pricing

This oversized clipboard stands an impressive 38" tall and is paired with an equally giant paperclip, making it a perfect prop for playful or exaggerated set designs. The comparison to the regular-sized clipboard highlights its enormous scale. Ideal for whimsical scenes or comedy productions, this prop would fit well in films or TV shows where a larger-than-life office environment or an outlandish workplace is depicted. Its dramatic size brings a humorous and quirky element to any setting.
