Kodak Slide Viewer

Contact for pricing

Functional

This vintage Kodak slide viewer, with its compact black plastic casing and large viewing screen, offers a convenient way to view photographic slides. The viewer features a built-in light source and a simple, ergonomic design that makes it easy to insert and view individual slides. Ideal for film or TV sets depicting home or professional photography environments from the mid-20th century, this slide viewer adds a touch of authenticity and period detail to any production.
