Fully Functional \*\*GFX are not cleared. Your production is solely responsible for all clearances.\*\*

The "Straight Flush" pinball machine, manufactured by Gottlieb in 1957, features vibrant graphics and a poker-themed playfield. It is known for its engaging gameplay and classic mechanical design, which captures the essence of mid-20th century arcade entertainment. Ideal for movie or TV sets depicting 1950s to 1960s recreational spaces, arcades, or bars, it adds an authentic and nostalgic touch to any production.
