News Anchor/Reporter Desk with Acrylic Top

Contact for pricing

Nobody told this desk to go this hard. It just did. Somewhere an Art Director is going to rent this and immediately take credit for it at a production meeting. Frosted white front panels lit by Quasar Crossfade tubes make your graphics glow like they mean it, RGB DMX LightGear LightRibbon under black straps handles dynamic color, acrylic top, dark grey base. It's giving Peabody Award and it knows it.
