This 1930s phone booth features a green wooden frame, glass panel doors, and an illuminated "TELEPHONE" sign at the top. Inside, it has a working light in the ceiling and a vintage rotary dial phone, capturing the essence of early 20th-century communication.

Ideal for film or TV sets depicting urban or public spaces from the 1930s to the 1950s, this phone booth adds authentic period detail to any production.
