Pepper Spray Fogger

Contact for pricing

Pepper spray is a popular and effective less-lethal option used by civilians, law enforcement agents and military personnel. When pepper spray is deployed it causes involuntary eye closure and provides the user the opportunity to escape. Many police officers equip their duty belts with a canister of pepper spray to neutralize people from a distance.

This unit is a fogger is intended primarily for law enforcement and military applications where multiple targets are presented, such as in a riot situation.
