1980s Leather Chaise Lounge by Preview

\$675 / week

A stylish 1980s black leather chaise lounge by High Point, NC furniture company Preview is styled after the "Experience Chaise" by Luigi Sormani, though carries several small deviations from that design. The piece's distinguishing characteristic is a "folded down" corner that creates a comfortable angle of recline and provides an asymmetric leg. The back edge of the chaise is defined by a parallelogram-shaped armrest, and the single headrest cushion is integrated with the seat and folds back in towards the seat. Condition: Excellent vintage condition; professionally cleaned and conditioned. Dimensions: 76" length x 30.5" width x 27" height; seat height is 17" at midpoint
