## Malcolm Leland Flame-Glazed Planter for Architectural Pottery

\$630 / week

Malcolm Leland's tulip-shaped LT-24 planter for Architectural Pottery with the Pro/Artisan "Flame Glaze." This planter has a rounded bottom that widens towards the opening, a simple shape rendered dramatic by the variegated glaze pattern, where drip lines terminate near the mouth of the vessel, mimicking the pattern of flames. Condition: Excellent vintage condition with no drainage holes; signs of hard water buildup on interior. Dimensions: 17" diameter x 16.75" height
