Bronze Bar Cart Richard Frinier for Brown Jordan

\$1,200 / week

An outdoor bar cart on casters by Richard Frinier for Brown Jordan. The cart was designed during Frinier's tenure as design director of the company during the 1980s. This rarer variant in tubular bronze (it is more commonly seen in brushed aluminum) makes it a strong paring with the Walter Lamb furniture Brown Jordan produced until 1985. Each of the three hammered glass shelves has a curved railing that defines the rounded corners of the piece and extends down the sides to form the legs. Condition: Excellent vintage condition with original hammered glass shelves; brass carries an age appropriate patina. Dimensions: 50" length x 21.25" depth x 32.5" height; interior width of the shelves are 36", 44" and 48", respectively.
