## Pair of Early Production Walter Lamb Lounge Chairs with Feet

\$1,500 / week

A pair of pre-Brown Jordan production lounge chairs by Walter Lamb with a rare construction marked by details from his earliest work, as well as elements that would later find their way into the Brown Jordan collection. The bronze tubing in this set is very slender, sculpted into a chair with an angled backrest, comparatively low-set arms, and molded curves in each of the runners for feet. The frame terminates at two small finials at either side of the backrest. Woven sailcord forms the seat.

Condition: Excellent vintage condition; bronze has been cleaned and carries an age-appropriate patina. Rope has been replaced according to the original design.

Dimensions: 20.5" width x 24" depth x 30.5" height; seat height is 15" and arm height is 21"
