Electroshock Therapy Machine (ECT)

Contact for pricing

ECT Machine, Electroconvulsive "Shock" Therapy. This tabletop Electroshock Therapy Machine (ECT) has been gutted and rigged so you can adjust the LCD display with the attached remote control. The printer can feed a paper rhythm strip forward and can reverse back into the machine for resets in between takes. The unit also comes with 2 shock wands, a head strap with electrodes, Flexidial remote control, and rubber mouth prop.
