Gurney, Stryker Zoom, White/Blue. Stryker Medical Transport Stretcher/Hospital Gurney Prime Series Zoom model. Powered handles trigger the self-propelled motor to help take the weight off of pushing and pulling the gurney. With the help of the virtually quiet motor, you can transport patients with just a view fingers on the handles. Steel side rails that raise and lower. Extendable IV Pole that raises and lowers. Retractable handles at the head are great for transporting. Perfect for ER, patient rooms or hallways. Dimensions: 85" L x 31" W (38" W with rails raised)
