ProPac Encore, Patient Monitor #202/206, Mono, W/A. The Welch Allyn Propaq Encore Patient Vitals monitor has a built-in battery pack and comes with 5-lead ECG cables and electrode stickers. The unit is designed to hang on the side rails of a gurney, so it's great for patient transport. The included A/C power supply can be utilized as a bedside tabletop unit. This monitor also comes with a built-in DEMO mode, so you can always have an active vitals display.
