Retractable Syringe Kit

Contact for pricing

Retractable Syringe Set, 01cc x 2 -- Insulin Style. This kit includes 5 syringes: 2 retractable, 2 matching sharp and 1 matching dull syringe. The spring loaded needle retracts easily into the hub of the syringe with little force and the plunger can be slid in and out like normal. The majority of our kits are available in "backfill" style, allowing you to pre-fill the shaft of the syringe with liquid to "reveal" or "inject" as needed. Available in 1cc, 3cc, 6cc, 12cc, 20cc & 60cc kits
