Lear 60XR - Cabin - LA

Contact for pricing

"Lear 60XR" Cabin mockup: Four club-facing seats with sided wall tables, three-place sofa, forward wall cabinets, refreshment center/bar, rear lavatory, and rear cargo compartment with camera port. (circa 2005-2013)

~~~~

Included: Functional forward and aft cabin 14" LCD monitors with two DVD players, Airshow 2000 (flight map) display, five disc CD player, enclosed bar, rear Restroom, aft interior baggage compartment and rear bulkhead/camera port. Seats have touch screen audio, visual and (aisle, reading, table and down wash) light control panels. Set-appropriate set dressing.

Built by the aircraft manufacture to accurately simulate the production version of the Learjet 60XR Small Private Jet cabin interior. Set accommodates 7 passengers in a well-appointed modern cabin interior. This set does not wild-out and the windows cannot be removed.
