Cockpit - Lear 60XR - LA

Contact for pricing

"Lear 60XR" Light/Midsize jet cockpit, pre-lit "Glass" instrument panel, two-engine controls, two crew. Circa 2005 – 2013.

~~~Four dimmable 6" x 8" digital flight information displays (monitors), and dimmable LED instrument panel. Remote controlled warning annunciators (light indicators): Fire, Oil Pressure, Fuel Pressure, Fuel tank (Full/Empty) and Entrance door. Multiple interactive knobs and controls.

The windows are not removable, nor does the cockpit wild-out.
