Subway Train, Metro Train, Path Train, MARTA Train

Contact for pricing

Authentic NYC Path Train. It also doubles as a Metro Train and Mass Transit (MARTA) Train. This train is located outside, as shown in photos. It is waterproof and soundproof as well. It is ideal if you want to film the outside and inside of a train/subway. The cost is negotiable. We can rent it hourly or daily. There is a \$950 refundable deposit security deposit you give. That is in case of damage or overtime. You get it back when you return it on time in the same good condition. Student films and Indies may be eligible for deeper discounted rates, if the train has availability for the date needed.
